

PUBH 895 : MPH Onboarding

All new, (incoming) students will be enrolled in the MPH Onboarding course. This is a zero credit mandatory course that must be completed before the start of classes. It will prepare you on how to use our online Learning Management platform (MyCourses) and other software programs you will have to use in most of your MPH course (e.g. Zoom, Panopto, ProctorTrack).

This Onboarding course will also list all of the university services that are available for you to use as well as providing in one location important information about the program (e.g. descriptions of all courses, program policies, professional requirements)
