

After the Examination

1. An examinee may not attempt to reproduce a test or a test item by any means, including but not limited to reconstruction through memorization and/or dissemination of examination materials by any means.
2. Communications about specific test items, cases, and/or answers with another examinee, potential examinee, or any other person at any time before, during, or after an examination, are strictly prohibited.
3. Every examinee is required to fully cooperate in investigations regarding any examination irregularities, whether committed or observed by themselves or others.

Violation of any policy or procedure outlined in this document is reported as an examination irregularity to the Dean of Students and to the Course Director. The Dean of Students decides on subsequent disciplinary action and the Course Director determines the implications for examination scores and course grades.
