

Psychological Services Center

Barbara Landon, Psy.D, Director

The Psychological Services Center (PSC) is independent from the faculty and administration. While the Dean of Students may refer students to counseling, the PSC is administratively neutral. No report returns to the Dean or to any other faculty member.

Students have a completely secure avenue to discuss their concerns with highly-trained professionals. Counseling services are available on the Grenada campus. In the clinical years, counseling can be arranged on an individual basis through the Office of Clinical Studies.
