

Professional Behavior

By the time of graduation, all students will be able to:

- I.** Demonstrate the ability to foster a positive, healthy professional identity encompassing conscientiousness, excellence, and a commitment to personal growth through the incorporation of new knowledge, skills and behaviors based on self-evaluation and life-long learning.
- II.** Demonstrate the professional qualities expected of a physician, including empathy, compassion, compliance, punctuality, reliability, responsibility, appropriate demeanor, honesty, and teamwork.
- III.** Engage in behaviors that exemplify humility, value diversity, and foster an inclusive and equitable environment free of bias.
- IV.** Display ethical behavior, including a respect for patient privacy and autonomy and informed consent.
- V.** Demonstrate the ability to engage in an interprofessional team in a manner that optimizes safe, effective patient- and population-centered care.
- VI.** Demonstrate sensitivity and responsiveness to a diverse patient population, including but not limited to diversity in gender, age, culture, race, religion, disabilities, and sexual orientation.
