

# Satisfactory Academic Performance

Satisfactory academic performance relates to the ability of students to achieve standards as measured by course grades. These standards require students complete all program and course requirements and to achieve a passing grade in all courses.

All grades earned in the MD program will appear on the student transcript. The performance of students who do not achieve minimum standards will be reviewed by the Academic Progress Review Committee (APRC). Those students whose performance goes beyond these minimum standards are formally acknowledged by the Dean.
