

Graduation Assessment Board

The Graduation Assessment Board (GAB), comprising of School of Medicine Faculty, reviews and approves those students for graduation who have completed the curriculum and met all program requirements. To be eligible for graduation, a student must satisfactorily complete 80 weeks of clinical training after the successful completion of the 77 weeks of Basic Sciences. Based on assessments throughout the Four-Year MD Program, the School of Medicine graduates those students that have developed the competencies articulated in the MD Program Objectives.
