

Teacher Learning Expectations

(Corresponds to LCME Standards thru Academic Year 2020 – 2021 AAMC Publication Date June 4, 2015)

The school holds in high regard professional behaviors and attitudes, including altruism, integrity, respect for others and a commitment to excellence. Effective learning is best fostered in an environment of mutual respect between teachers and learners. In the context of medical education the term “teacher” is used broadly to include peers, resident physicians, full-time and volunteer faculty members, clinical preceptors, nurses, and ancillary support staff, as well as others from whom students learn.
