

Late Registration Check-In

The Late Registration period starts the second day of classes and continues throughout the first teaching week, until the following Monday at 5:00 pm. Returning students who register during that time will be charged a late fee according to the schedule below:

Tuesday	EC \$25.00
Wednesday	EC \$50.00
Thursday	EC \$75.00
Friday	EC \$100.00
Monday (<i>2nd week of classes</i>)	EC \$125.00

Students should note that if they register and begin classes late, they will miss important academic concepts and their grades may suffer. Responsibility for catching up with missed material lies with the student. Late registration will not be considered an excuse for poor academic performance.
