

Advanced Standing/Transfer Credit

Advanced standing/transfer credit will be evaluated on an individual basis in accordance with the advanced standing/transfer credit policy. Only courses with a grade of C or III or better will be considered for transfer credit. Advanced Level or CAPE courses may also be considered for transfer credit as determined by the Office of the University Registrar. . Transfer credit is not awarded for 300 and 400 level courses in the School of Arts and Sciences.

Each applicant is responsible for ensuring that all related documentation, including official transcripts, grading policy, and official course descriptions are sent directly to the Office of the University Registrar. If these documents are not in English, they must be accompanied by a certified English translation. Required documentation should be submitted to the [Office of the University Registrar](#) prior to the start of the semester and no later than two weeks into the semester.

Following receipt of the official documentation and course descriptions from a secondary institution, the credit will be evaluated by the Office of the University Registrar.

Transfer credit from our academic partner, T. A. Marryshow Community College, will follow a similar albeit streamlined process due to the inter-institutional collaboration.
