

Application for Graduation

During registration for their final year, students are required to report to the Office of the University Registrar to file an [Application for Graduation form](#). Students will receive a current official copy of the degree audit and should discuss any questions they may have concerning the completion of the degree and graduation with their Faculty Advisor and/or Department Chair. Students should use their degree audit as a guide, in conjunction with the advice from the Department Chair and/or Faculty Advisor, for course selection, to ensure that all degree requirements are met by the anticipated graduation date.
