

# Attendance Requirements

Students are expected to attend all classes and clinical rotations for which they have registered. Although attendance may not be recorded at every academic activity, attendance may be taken randomly.

- Students' absence may adversely affect their academic status as specified in the grading policy.
- If absence from individual classes, examinations, and activities, or from the University itself is anticipated, or occurs spontaneously due to illness or other extenuating circumstances, proper notification procedures must be followed.
- A particular course may define additional policies regarding specific attendance or participation.
