

Health History Form

All matriculated students must complete a Health History form prior to registration and meet the requirements stated on the form. This form will give a record of previous illnesses and immunizations.

Throughout students' matriculation, Health History forms must be current and verification must be provided, as determined by the University. Students who fail to fulfill these requirements may have their matriculation status suspended. Medical records will be kept confidential and used only for valid University purposes. If a student is seeking accommodation for a disability such as extra time on an examination, they must follow the [procedures here](#)

Students returning from a medical Leave of Absence must submit documentation of their health status for review by the Director of University Health Services one month prior to their intended return to the School. They should receive clearance from the Director of Health Services, which is then communicated to the Dean of Students Office.
