

Late Registration

All students except for clinical students in the Schools of Medicine and Veterinary Medicine are required to check-in on or before the first day of classes as scheduled by the Office of the University Registrar. The late check-in period ends at 5:00 pm on the seventh day following the date of the end of the check-in period (for example, if registration ends on a Monday, the late registration period will end at 5:00 pm on the following Monday). Fees are incurred daily, for each day that a student is late to check-in. No student may check-in after the close of the late registration period.

Students should note that if they register and begin classes late, they will miss important academic concepts and their grades may suffer. Late registration will not be considered an excuse for poor academic performance.
