

Clearance of MAS

MAS will be for one term when students are taking a full course load or for two terms when students are taking a reduced course load or as determined by the APRC.

MAS will be cleared if students:

1. Achieve a cumulative grade point average (GPA) of 2.00 or above in each term that they spend on MAS.
2. Do not receive any unsatisfactory grades ("D+", "D", "F") during their academic probation.
3. Fulfill all other requirements mandated by the APRC. These requirements, as outlined in the APRC letter, include mandatory attendance of all lectures, laboratories, and can include Department of Educational Services (DES) sessions as well as scheduled meetings with the Academic Advising Team (AAT).
4. APRC reports clearance from MAS to the student and to the Registrar in writing (letter after the end of term APRC meeting).
