

# Assistant Dean of Students – Wellness (Clinical) (Dean of Students Office)

In addition to the roles described for the associate dean of students US/UK, the assistant dean of wellness leads the DOS SOM team on wellness issues and reports to the dean of students. They meet with students who have been identified as needing assistance with behavioral health, substance abuse, professionalism or other concerns. They liaise with clinical and administrative faculty, external healthcare providers, University health services and the Judicial board; are responsible for tracking students to ensure compliance with judicial or other mandates processes, provide assessments and recommendations and consulting with clinical and administrative staff.
