

Office of Career Guidance (OCG)

The office of career guidance (OCG) is staffed by associates of University Support Services, and faculty and alumni of St. George's University School of Medicine. The office reports to the dean of students. OCG is designed to assist medical students in obtaining postgraduate residency. Complete information on examination requirements, clinical rotation time schedules, and obtaining postgraduate training is provided to help students navigate the residency application process.

The OCG also counsels students in specialty and residency selection, interview skills, CV preparation, and the residency application process in the United States, the United Kingdom, Canada, and other non-US programs. The OCG also acts as a liaison with the Educational Commission for Foreign Medical Graduates (ECFMG).
