

# Office for Medical Student Performance Evaluation (MSPE)

The MSPE Team is responsible for the composition of Medical Student Performance Evaluations (MSPE) for all graduating students. This document is a critical component of residency and fellowship applications.

In addition to its composition duties, the office processes document requests for MSPEs and transcripts for current students and graduates, sending them to residency/fellowship matching services as well as individual hospital programs. They provide related guidance to students/graduates regarding MSPE-related matters, are responsible for the creation of SGU Department Chair's Letters for students/graduates in support of their residency applications and provide students with unofficial copies of their MSPEs for their records, among other such tasks.
