

Office of Student Accessibility and Accommodation Services (SAAS)

The SAAS considers requests for accommodations, and determines student eligibility for accommodations and reasonable accommodations for eligible students. The office is responsible for meeting with students who have requested appointments and/or submitted applications to discuss eligibility and needs and to engage in an interactive process and dialogue with the students. SAAS considers information and documentation provided by students, consults with relevant individuals as appropriate, and collaborates with faculty and staff regarding essential course and/or program requirements and appropriate reasonable accommodations. The office reports to the DOS.
