

# New Student and Student Clinical Coordinators

The clinical new student coordinators serve as the transition coordinators to ensure students have a point of contact after they successfully complete term 5 and to arrange third year scheduling so students can complete all their third-year requirements within the first clinical year. They are responsible for placing clinical students into core clerkships at approved affiliated clinical sites in the United States or the United Kingdom.

The clinical student coordinators work with the students progressing into their final year of medical school. They are responsible for working with clinical students to arrange their elective rotations at approved clinical training sites. In addition, they are responsible in ensuring student schedules are updated accordingly and enrollment status is correct. In addition, the clinical student coordinators are responsible in ensuring students are meeting their graduation timelines and provide advisement when needed. Clinical student coordinators report to the vice president of clinical education operations.
