

Responsibilities – Affiliate Clinical Faculty

The School of Medicine provides written information which detail the responsibilities of clinical faculty, the clinical curriculum, student policies and procedures and general rules and regulations of SGU. The SOM Faculty handbook, Clinical Training Manual and Student Manual are the key resources for the clinical faculty relating to the clinical training program and their role in the clinical training program. All faculty are required to comply with the terms in the SOM Faculty handbook, Clinical Training Manual and Student Manual which are provided to each affiliated hospital. The faculty can find additional information in the Student Manual which describes the entire Four-Year MD Program. The Clinical Training Manual, the Student Manual and this SOM Faculty Handbook are available on the SGU website.
