

# Parents' Coalition of SGUSOM

The Parents' Coalition is an independent organization, founded in 1985, in response to a changing political atmosphere that affected the School of Medicine students. The coalition has had significant impact on legislation at both state and federal levels, and today students enjoy the progress that the coalition has made over the years. Presently, the coalition remains politically oriented, monitoring the changes that will be occurring in health care and medical education. The Parents' Coalition is a nonprofit organization. Meetings are held at least once a year. The coalition welcomes membership from all students, parents, or friends of St. George's University School of Medicine.
