

# SCSK 536 : Current Topics in Medical Mycology

This selective is conducted in a journal club format; 7 hours of direct contact (1 hour/week for 7 weeks), and 18 other hours. Direct contact will include instruction on selection of topics and presentation skills. Other hours include preparation of one or two presentations to the entire group and critical assessment question preparation of peerpresented articles. The selective will offer both medical and graduate students an opportunity to review and evaluate current scientific research in medical mycology.
