

Accessibility Options for Students

A student with a disability or disabling condition that affects one or more major life activities, who would like to request an accommodation, must submit a completed application form and supporting documentation to the [Student Accessibility and Accommodation Services \(SAAS\)](#) located in the Dean of Students Office.

- It is highly recommended that students applying for accommodations do so at least one month before classes begin to allow for a more efficient and timely consideration of the request.
- If a fully completed application is not submitted in a timely fashion, an eligibility determination may not be made, and accommodations, where applicable, may not be granted prior to the commencement of classes and/or examinations.

The application form, guidelines for submission of required disability documentation, and contact information can be found [here](#).

SAAS welcomes an opportunity to speak with you regarding your accommodations and to answer any questions.
