

# Caldwell University

Caldwell, New Jersey

## COMBINED BS/MD PROGRAM

Caldwell University in Caldwell, New Jersey, has joined with St. George's University in offering students an opportunity to obtain a BS/MD degree. Qualified students are able to pursue a career in medicine at St. George's University following successful completion of the preclinical program at Caldwell University.

Enrolled students begin their studies at Caldwell University where they spend the first three years of the preclinical program. Qualified students then proceed to Grenada to enter the first year of the St. George's University Doctor of Medicine program.

Upon successful completion of their first year at St. George's University, students fulfill the requirements for the Bachelor of Science in Biology from Caldwell University. Qualified students are then eligible to complete the three remaining years of study at St. George's University, leading to the completion of the Doctor of Medicine degree.

Caldwell University is a Catholic, co-educational, four-year liberal arts institution. Founded in 1939 by the Sisters of Saint Dominic, the College is accredited by the Middle States Association of Colleges and Universities, chartered by the State of New Jersey, and registered with the Regents of the University of the State of New York. Located on a 70-acre wooded campus in a quiet suburban community 20 miles from New York City, Caldwell provides a serene and secure environment conducive to study and learning.
