

Committee for Satisfactory Academic Progress and Professional Standards (CAPPS)

The academic progress of all students will be reviewed at the end of each semester by the Committee for Satisfactory Academic Progress and Professional Standards (CAPPS) in consultation with the Department Chair of the department and program in which students are enrolled.

- Students with a semester GPA of 4.00 are placed on the Provost's List.
- Students with a semester GPA of 3.50-3.99 are placed on the Dean's List.

Only students who take a full credit load per semester (15 university credits or more per term) qualify for the Provost's and Dean's Lists. Credits from foundation courses such as Math's and English are not used in calculating this 15 or more credit load.
