## Abnormal Psychology

**Course**

PSYC 302

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Accommodation Management

**Course**

BUSI 325

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Accounting Information Systems and Risk Analysis

**Course**

ACCT 307

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Accounting Placement

### **Course**

ACCT 302

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Adult Health Nursing II

### **Course**

NURS 402

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Advanced Programming I

### **Course**

COMP 305

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Anatomy and Physiology for Nursing

### **Course**

BIOL 204

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Anatomy and Physiology I (for Health Science)

**Course**

BIOL 101

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Anatomy and Physiology II

**Course**

BIOL 202

**Semester**

Spring

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Biochemistry

**Course**

CHEM 450

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Biochemistry for Life Sciences

**Course**

CHEM 300

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Biochemistry Lab

**Course**

CHEM 451

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Biology and Diversity of Life

**Course**

BIOL 215

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Biomedical Anatomy

**Course**

BIOL 303

**Semester**

Fall

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Botany

### **Course**

BIOL 200

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Business Communication

### **Course**

ENGL 205

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Business Ethics

### **Course**

BUSI 303

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Business Law

### **Course**

BUSI 210

### **Semester**

Fall

### **Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Business Mathematics

**Course**

BUSI 220

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Calculus I

**Course**

MATH 200

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Capstone 2

**Course**

BIOL 421

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Capstone I

### **Course**

BIOL 420

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Caribbean Identity

### **Course**

SSCI 403

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Cell and Developmental Biology

### **Course**

BIOL 344

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Clinical Cases

### **Course**

PCLN 380

### **Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Collaboration and Teaming

**Course**

SPED 401

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## College English I

**Course**

ENGL 107

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## College English II

**Course**

ENGL 213

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## College Mathematics

### **Course**

MATH 120

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Communication for the Health Professions I

### **Course**

PCLN 302

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Communications for the Health Professions II

### **Course**

PCLN 303

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Community Health

**Course**

COMH 201

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Community Service

**Course**

GENL 302

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Computer and Information Systems

**Course**

COMP 202

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Computer Concepts and Applications

**Course**

COMP 111

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Computer Graphics and 3D Printing

**Course**

COMP 106

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Conflict and Negotiation

**Course**

BUSI 422

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Conservation and the Environment

**Course**

BIOL 211

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Contemporary Social Theory

**Course**

SOCI 405

**Semester**

Spring

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Corporate Finance

**Course**

BUSI 306

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Cost Accounting

**Course**

ACCT 401

**Semester**

Fall

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Critical Reasoning

**Course**

PHIL 107

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Database Systems

**Course**

COMP 420

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Developmental Psychology

**Course**

PSYC 307

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## E-Commerce

**Course**

COMP 412

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Ecological Quantitative Methods

**Course**

BIOL 313

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Ecology

**Course**

BIOL 310

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Empirical Research Project

**Course**

SSCI 411

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Entrepreneurship

**Course**

BUSI 405

**Semester**

Spring

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Essentials of Psychological Testing

**Course**

PSYC 405

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Events Management

**Course**

BUSI 418

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Financial Accounting

**Course**

ACCT 204

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Financial Audit

**Course**

ACCT 403

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Foundation Chemistry

**Course**

CHEM 001

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Foundation English

**Course**

ENGL 002

**Semester**

Fall

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Foundation Mathematics

**Course**

MATH 001

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Foundations for Communications

**Course**

ENGL 335

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Freshwater and Estuarine Ecology

**Course**

BIOL 312

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Fundamentals of Political Economy

**Course**

ECON 101

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## General Biology

**Course**

BIOL 220

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## General Chemistry 1

**Course**

CHEM 122

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## General Chemistry 1 Lab

**Course**

CHEM 123

**Semester**

Spring

**Year**

## Organic Chemistry 1 Lab

### **Course**

CHEM 223

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Organic Chemistry I

### **Course**

CHEM 222

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Organic Chemistry II

### **Course**

CHEM 224

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Organic Chemistry II Laboratory

### **Course**

CHEM 225

### **Semester**

Spring

### **Year**

2022

### **Catalog**

School of Arts and Sciences

### **Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Organizational Behavior

### **Course**

BUSI 301

### **Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Organizational Communication

**Course**

ENGL 323

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Ornithology

**Course**

BIOL 404

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Painting

**Course**

ARTS 206

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## PC Hardware & Operating Systems

**Course**

COMP 301

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Pediatrics Nursing Care: 1 Month - 19 Years

**Course**

NURS 314

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Personal Finance

**Course**

BUSI 207

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Physics for Life Sciences

**Course**

PHYS 200

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Practicum III Pediatrics

**Course**

NURS 323

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Principles and Theories of Learning

**Course**

PSYC 211

**Semester**

Spring

**Year**

2021

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Principles of Management

**Course**

BUSI 205

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Principles of Marketing

**Course**

BUSI 204

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Principles of Ocean Science

**Course**

MBIO 205

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Professional Development

**Course**

GENL 400

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Psychology Field Experience

**Course**

PSYC 410

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Public Speaking

**Course**

COMM 204

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Quality Customer Service

**Course**

BUSI 206

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Quantitative Methods

**Course**

BUSI 319

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Research and Evidenced Based Practice

**Course**

NURS 307

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Research Methods in Businesss

**Course**

BUSI 404

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Sales Management

**Course**

BUSI 424

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Senior Internship

**Course**

BIOL 407

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Sensation and Perception

**Course**

PSYC 210

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.

## Social Problemsi

**Course**

SOCI 300

**Semester**

Spring

**Year**

2022

**Catalog**

School of Arts and Sciences

**Copyright Policy**

The materials (such as slides, handouts and audio/video recordings) provided to students who are taking courses at St. George's University (SGU) are the intellectual property of the Faculty and/or Administration of SGU. Students are free to use these materials solely for the purpose of group or individual study. Reproduction in whole or in part is prohibited.
